SMART LIVING . TULUM

A high-angle, scenic view of a tropical beach. The water is a vibrant turquoise color, transitioning to a lighter, milky white near the shore. The beach is a mix of white sand and dark, jagged rocks. On the left, a steep, rocky cliffside is covered in lush green vegetation, including several palm trees. One prominent palm tree leans over the water. In the foreground, the top of a thatched-roof hut is visible. The overall atmosphere is serene and idyllic.
